- **SPECIFICATIONS:** Included in this kit is one gunmetal finish pendant with a medium screw socket and one 15" diamond shaped LED dimmable bulb, with 4 watts of power, emitting a soft amber glow in a clear glass and medium screw base.

- **AMBER LIGHT:** The light of these 2200 kelvin lights creates an amber golden light that will provide a warm and cozy feeling in your home.

- **GRAND BEAUTY:** The oversized, grand size of these LED bulbs paired with a high quality open socket pendant creates a unique lighting centerpiece without committing to the price and permanence of traditional fixtures.

- **LONG LASTING:** These 4 watt bulbs are designed to replace a traditional 60 watt incandescent bulb while lasting longer, as each bulb is estimated to last 15,000 hours before they need to be replaced, meaning fewer burnouts and replacement bulb purchases.
