SWP

Slim Wall Pack CCT3

DESCRIPTION

The naturaLED® slim, low-profile cutoff wall pack features a smooth, contemporary design that meets ADA compliance for quality and accessibility. Crafted from high-quality, well-engineered die-cast aluminum, it delivers bright, crisp illumination with excellent thermal management to ensure long-lasting performance. Designed for easy installation, it features an adjustable angle and a hinged junction box for added convenience. Our 45-Watt Slim Wall Packs are available in selectable wattage and color temperature options in Black and Bronze finishes. The SWP is ideal for landscape lighting, wall and surface mounting, low-level pathways, apartment buildings, schools, and multi-use facilities.
